

10-12
MARCH
2023

SYMPOSIUM FLYER

To advertise for your symposium, you may prepare a PDF flyer with the programme of the symposium and any additional information you wish to share regarding your sponsored session. The flyer will be featured on the ESCRS 2023 Winter Meeting Website.

We will shortly create a section of the congress website which will list all the satellite symposia, with date, timing, and programme. Your flyer will be linked to your session so that viewers can access your branded document when browsing the industry sessions on the ESCRS Website. You can include links on your flyer to redirect participants to your own website or a keep me updated form, to capture their details and interest for your session.

DEADLINE & LOGISTICS

Please send your pdf flyer to escrs.sponex@mci-group.com at your earliest convenience and no later than **Friday 3 February**. In the meantime, we will still list your programme on the website if you have already provided it via the symposium form.
